DAY 1 – Arrival and transfer to the hotel. Free day.

DAY 2 – Pick up at the hotel. Adventure tour in Sete Cidades. Picnic lunch included. Return to the hotel.

MOUNTAIN BIKE TOUR & KAYAK IN SETE CIDADES – ADVENTURE – FULL DAY

Let's explore the west side of São Miguel. Sete Cidades lake is one of the most famous and legendary lakes of the island. We will have time to go down to the bottom of the crater where we can ride a bike and paddle a kayak in the amazing lake of Sete Cidades. This is definitely the best way to enjoy Sete Cidades environment, feeling the amazing energy and beauty of the place. A picnic lunch will be enjoyed on the lake shore. In the afternoon we drive along the south coast and pass by Ferraria where we find a wonderful hot water bathing area that was created by the formation of a small crater and volcanic fissure from which the surrounding ocean water is heated. What a perfect way to end our adventurous day!

DAY 3 – Pick up at the hotel. Whale and dolphin watching (3 hour trip) and visit to Vila Franca Islet. Lunch included. Return to the hotel.

WHALE AND DOLPHIN WATCHING & VISIT TO VILA FRANCA ISLET – FULL DAY a)

During this activity you will have the opportunity to watch some of more than 25 cetacean species that can be found in the Azores. Although nature offers no guarantees, whales and dolphins are regularly seen during our full day tours, along with turtles, seabirds and other marine life. Before the boat trip our biologists give you a briefing to explain which cetacean species can be observed, safety measures aboard, how we respect the animals and rules of observation at sea as well as some historical facts. During the tour each passenger is required to wear a life vest (except on our catamaran). Futurismo also provides rain coats and trousers if necessary. After the 3 hour tour we stop in Vila Franca do Campo to have lunch in a local restaurant. Then we board a converted traditional fishing boat and head to Vila Franca do Campo islet, a volcanic crater off the coast that encloses a natural lagoon. The islet is a natural reserve, so here you will be able to view the diversity of fish species that have been preserved due to this protection (masks and snorkels are provided). Transfer back to Ponta Delgada by boat or van.

a) This activity is only available during the summer season due to the schedule of Vila Franca islet. The islet is typically open to the public between June 15th and September 15th. As an alternative we suggest a visit to Oficina Museu and the Pineapple Plantations or other activity arranged with the guest upon arrival.

DAY 4 – Pick up at the hotel. Thematic tour to Furnas. “Cozido” lunch included. Return to the hotel.

THEMATIC TOUR TO FURNAS (VAN + SOFT WALKING TOUR) – FULL DAY

On this tour we feel and experience the volcanic origins of the Island in Furnas, a magical place. We start by visiting the Caldeiras da Lagoa das Furnas (Furnas Lake Calderas), a place where we cook the famous “cozido das Furnas” (a very special meal cooked only with the steam of the Earth) and continue with a soft walk that crosses a stream and circles the lakeside. During this walk we have the opportunity to appreciate a variety of endemic flora species. Next we visit the town of Furnas, with its fumaroles and hot springs that contain water with different tastes. The Cozido meal is served in a local restaurant. After lunch we visit the centenary Terra Nostra botanical garden that is famous for its extraordinary collection of native plants on the Azores, as well as others from all over the world that have adapted to the local garden conditions. At the end of the visit you are invited to bathe in an iron-rich hot water swimming pool that has a temperature of 35-40°C, an exquisite experience! On the way back to Ponta Delgada we stop at several beautiful viewpoints on the North Coast and also at the only tea plantation in Europe where we will be able to visit the working tea factory and have a lovely break to taste the tea.

DAY 5 – Pick up at the hotel. Jeep Safari to Lagoa do Fogo. Departure.

JEEP SAFARI TO LAGOA DO FOGO – HALF DAY

This wonderful tour combines some off the road routes in both highlands and flatlands, taking you to the amazing natural reserve of Lagoa do Fogo to enjoy nature at its best. Astonishing views from the top of the crater’s border are a must to photograph! We then drive you to Caldeira Velha, a warm iron-rich waterfall where you can go for a dip to experience its warm waters.
